NEWSPAPERS. THE GRENADA SENTINEL J. A. SIGNAIGO, EDITOR

FURNITURE moved by R. MILES, Car No. marks made in regard to uncivil hotsicle: toke pleasure in ministering to the

mental condition of the patient. The pulse with begin to lose its dull expression, the muscular and nervous systems to recover their tension, and the spiri's to improve. Porsever, and a complete revivilication of the depressed animal and mental powers is certain. In cases of dyspeps a and billou-ness, the same salutary results will be obtained. The appetite will revive, the sallowness of the skin disappear, and allowers of the stowach and liver, will rapidly subside. The andden changes of Spring offen intensifies these complishes by checking the perspiratory action, by which so much morbid mater is e-aporated through the porse of the body, and therefore the EITER are escentially set. 1824.
